LinkedIn

Designer and art director with eight years of releases for YoungBoy Never Broke Again and a studio practice serving national record labels. I lead with brand, album art, and motion, and I design and build the products behind them, including AI tools.

Experience

TRISP Studio
2016 – Present

Founder & Creative Director

- Run a creative studio for artists and brands covering identity, album art, campaign rollouts, motion, websites, and photography.
- Led creative direction for campaigns released through national labels including Atlantic Records and Motown.
- Art directed the Fast X soundtrack rollout with APG: a single-release system of covers and motion visuals for streaming and social. The soundtrack passed 500 million streams.
- Designed and built the studio's identity and website.

YoungBoy Never Broke Again
2018 – 2026

Art Director & Designer, through TRISP Studio

- Art directed and designed 20+ releases for one of hip-hop's most-streamed artists, handling each one end to end: album and single covers, back covers and tracklists, logos, and motion teasers.
- Gave each release its own identity on fast turnarounds while keeping the catalog recognizable.
- Work included a Billboard top-10 mixtape and a building-scale billboard for The Last Slimeto.

Kampgrounds of America
Mar – May 2026

AI Engineering Intern

- Designed and built a React dashboard where operators watch and step into a live multi-agent sales pipeline.
- Automated a manual group sales workflow from hours to under 10 minutes.

Selected projects

Navigate IDD
Led AI systems design for multilingual Medicaid explainer videos, cutting production time by about 90%.

Trilo
Founded and designed a Discord product that runs College Football and Madden dynasty leagues, now used by 11 leagues.

Sweet Beijing
Identity, ads, and app with an international student team in Beijing.

Atlantic Records
Concept rebrand with a full brand guidelines book.

Education

MS Information Systems
AI for Business Innovation
Georgia State University, 2026

BFA Graphic Design
Georgia State University, 2023
